RESUME OF WEEK'S SPORTING NEWS

By Associated Press.

NEW YORK. Oct. 2.—Football play will start in earnest this afternoon in all sections of the country. Several hundred college and university teams are scheduled to meet on gridiron in games which range from practice tilts to contests in which form upsets and defeats are not unlikely for even the elevens of the largest institutions.

Among the eastern games of more than usual interest are those bringing together Yale and Virginia; Princeton and Rutgers; Brown and Trinity; Harvard and Massachusetts Aggies; West Virginia and Washington and Jefferson; Army and Holy Cross; Navy and Georgetown. In the middle west Minnesota meets North Dakota; Illinois and the Haskell Indian team will grapple; Wisconsin lines up against Lawrence; Purdue and Wabash clash; and Indians and De Pauw will battle.

On the Pacific coast and far west fields Southern California will play the Los Angeles A. C.; Oregon Aggies meet Willamette; Colorado faces Wyoming; Idaho tackles Montana; while in the south the principal games include Louisiana State vs. Arkansas Aggies; Virginia Poly vs. Randolph-Macon; and Washington and Lee vs. West Virginia Wesleyan.

An unusual freak baseball play occurred in a recent game between the Athletics and the Cleveland club at Philadelphia. In the second inning with two out, Lajoie on third and Healy at bat with two strikes and two balls called, either Garrett made a wild bunt which struck in front of the plate, Healy struck at the bounding ball which hit Catcher O'Neill's mask and rolled back on to the diamond

while Healy ran for first. Garrett ran from the box and picking up the ball touched out Lajoie, who was trying to score from third, retiring the side. The net result of the play was that Garrett saved his record from a wild pitch and secured a put out. Healy was safe at first on a missed third strike and the side was retired, all on one play.

Connie Mack, manager of the Philadelphia Athletics, six time winners of the American league pennant and three times world's champions, stung by criticisms relative to his deliberate breaking up of the famous baseball machine, has made a sweeping declaration regarding his plans for 1916. Mack said recently:

"We are losing ball games every day and probably will finish the poor record of any team in either major league in years, but I have made considerable progress along the lines of reconstruction. If the fans will look back to the 1908 season they will realize that my progress was slow then until the combination was complete, and then the team came like lightning. My progress must be slow because the only part that I have now that I am banking on for my new machine are pitchers, and they don't know anything yet and cannot be expected to show until next season."

I repeat that we will have another wonderful club before the close of next season. Everything depends on how soon my pitchers develop. They will surely be right by the middle of next season."

ELECTRIC TOASTER AT COST

The Miners' Drug Store, Inc., makes a very flattering offer in today's Bo-

nanza. For \$2.50 and coupons representing \$10 in purchases, it will give an electric toaster that sells regularly for \$35. This is a snap.

LOVELOCK ANTIMONY MAN BITTEN BY RABID COYOTE

Late yesterday afternoon, while walking from Mill City to Inlay, Robert A. Brown, the Lovelock antimony man, was attacked and bitten by a rabid coyote. He was placed aboard the first train leaving Inlay for Lovelock—Silver State.

Notice of Application for Permission to Appropriate the Public Waters of the State of Nevada
Application No. 3438

Notice is hereby given that on the 14th day of June, 1915, in accordance with Section 59, Chapter 340, of the Statutes of 1913, one Mrs. Ida Lorenz, of Spanish Springs, County of Nye, and State of Nevada, made application to the State Engineer of Nevada for permission to appropriate the public waters of the State of Nevada. Such appropriation is to be made from Spanish Springs, consisting of two small springs, at a point approximately in N.E. of N.E. of Sec. 15, T. 7 N. R. 4, E. M. D. B. & M., by means of pumps, and one cubic foot per second is to be conveyed to a point, approximately in the N.E. of N.E. of Sec. 15, T. 7 N. R. 4, E. M. D. B. & M., by means of ditches, pipes, tank and trough, and there used for domestic and stock watering purposes. Water not to be returned to stream.

Date of first publication, Sept. 11, 1915.

Date of last publication, Oct. 2, 1915.

(Signed) W. M. KRAHNEY, State Engineer.
